Unless the Lord builds the house, they labour in vain who builds it.

C&D Construction and Engineering Limited

ABOUT US

Our Mission

- To demolish the walls of uncertainty and reconstruct our country through nation building block by block. Laying the foundation with structural integrity on which you will be willing to stand.
 - To build credible relationships with those who desire to fulfill their dreams & aspirations,
 - by Showcasing the magnificence of our masterpiece through quality craftsmanship.
 - · Rendering with God's grace and covering with the decorates of god's love.
 - That we may declare: "Unless the lord builds the house, they labour in vain who build it."

Vision Statement

Our vision extends beyond the boundaries of our communities to the wider terrace of our country.

We are dedicated to providing quality service in a professional manner to the satisfaction of those we serve.

We commit to providing exceptional workmanship that is cost -effective and will continue to remain fair and true in our dealings with all employees, clients and suppliers.

We will continue to foster a work environment that encourages new ideas, innovations and growth while contributing in service to our fellow citizens.

OVERVIEW

C&D Construction and Engineering Limited is owned and operated by Mr. Clive Wint and was incorporated on January 13, 1995. The company which began its operations in January 2001 has been offering quality service to clients consistently for the past twenty (20) consecutive years.

The company is a licensed contractor with the Public Procument Commission (PPC) formerly National Contracts Commission (NCC) and holds membership with the Incorporated Master Builders Association of Jamaica. C&D Construction and Engineering Limited offers excellent professional services which include a full package, from design to Construction (Turn-key project) and aims to establish and maintain credible relationships with clients through quality work and Professionalism while being cost effective in today's economy.

Since operations in 2001, the company has had various contracts with Alpart Mining Venture, now Alumina Partners of Jamaica (ALPART), as well as various independent entities. We have constructed buildings such as Cobblestone Professional Centre, Longville Police Station, Sewage Treatment Plant at Monymusk Housing Development, Construction works for commercial enterprises, public and private institutions including civil works has also been undertaken.

Construction work for commercial enterprises, public and private institutions including civil works has also been undertaken (See page 9)
